

	President 	
	Environmental Health and Safety Office 	

A. Background & Purpose: Dalhousie is committed to providing a safe and healthy work environment for all employees and students.

C. Definitions:

- a. EH&S: Environmental Health and Safety
- b. University Community: Dalhousie faculty and staff, persons engaged to work on Dalhousie research projects, and Dalhousie students.

D. Policy:

1. Dalhousie will not be satisfied until:
  - a. Dalhousie's workplace is safe from hazards;
  - b. Dalhousie's employees and others at the workplace are injury-free; and
  - c. Dalhousie's study and campus life are safe,
 all while showing leadership in pollution prevention and an established record of compliance with this policy.
2. Dalhousie is determined to comply with all applicable legal and other regulatory requirements to support this Policy.
